Reports

- **Treasurer Report** - Ken Johnson
- **Mountain Update** - Rod Calafati

Agenda Items

- A. SLA - 3 Mountains
- B. Officials Update, Race Coverage
- C. Mt Creek Coaches Passes
- D. Employment Mt Creek
- E. Insurance, Waivers & Athlete/Coach Form, Team Rosters
- F. DISCUSSION - Girls Racing on Boys Team: A female athlete racing on a boys team finishes the season ranked in the top 30 boys' points. I propose we have a discussion on her being **eligible to compete in the Girls ROC as an additional All League racer**, without occupying one of the standard qualifying spots. Allowing her to compete as an "additional" Girls ROC racer would also **open the next point-based qualifying spot** for the Boys ROC, ensuring no boys' athlete loses a position due to cross-team roster structure.
- G. Seeding For All Varsity Races - reverse order 2nd run
- H. League Reps Role
- I. Website Expansion: Officials & Spectators
- J. Startbeep Alge STB1 \$450 for Mountain Creek Races
- K. NJISRA Coaches Meeting Training/Race Expectations - Meeting End Dec
- L. Invitational - Lucas Masi

M. Scholarship - Ken Johnson
